

# What the Credit Crunch might mean for you....

**A Seminar looking at the impact of the Credit Crunch, how to handle possible redundancies within the work place and options available to employers to assist redundant employees in the future.**

- Is the Credit Crunch fact or myth?
- Are you worried about the impact of the Credit Crunch upon your business?
- Do you have questions about how to plan for an economic downturn?
- Are you worried about possible redundancies in the future?
- Would you like information as to how to manage redundancies positively?

**Ellisons**, in conjunction with **Griffin Chapman** and **Professional Choice Personnel** will be providing valuable information that will answer these and other questions.

## **Carolynn Pizarro – Griffin Chapman**

Carolynn is a chartered accountant and a partner at Griffin Chapman. Carolynn has a wealth of experience in advising businesses on a range of matters and will offer practical advice as we turn to face an uncertain economic future with the possibility of businesses needing to “batten down the hatches” to survive the rough seas ahead.

## **Jayne Scott – Ellisons**

Jayne is a partner at Ellisons and head of our Employment Team. If your organisation is considering redundancies, or would like to be prepared for the future, then this seminar can provide you with an overview of how to satisfy the law when making redundancies and how to avoid potential claims of Unfair Dismissal at an Employment Tribunal. The redundancy procedure can be both complex and daunting and most employers will benefit from an overview of this.

## **Kate Nudds – Professional Choice Personnel**

Kate is the Managing Director of Professional Choice Personnel. Kate will discuss with you the ways in which offering outplacement services to employees who are at risk of redundancy can assist in managing a positive exit for those employees.

This is an opportunity to prepare yourself and your business for the turbulent times ahead and we hope you will join us for pastries, coffee and an interesting and informative seminar. All of the speakers will be available for questions at the end.

This **Free Seminar** will be held at our office in Headgate Court, Colchester, CO1 1NP on:-
