SOLICITORS

**Dear Future Trainees,**

**Having a great time here in Colchester with Ellisons. Who said London had the monopoly on good clients and interesting work? Training so far, varied and very hands on and people really helpful and friendly.**

**As for the town itself. What with The Mercury Theatre, firstsite art gallery and Colchester UFC on my doorstep, I couldn't be happier! Great restaurants, the famous oysters and local breweries and vineyards - I barely have time to visit the nearby beaches and glorious Constable Countryside. Such variety so close that I am having difficulty deciding where to buy my first pad which thanks to the relatively low house prices should be any day now!**

**If you are tempted to start a career and get a life with Ellisons, visit our website [www.ellisonslegal.com](http://www.ellisonslegal.com) or give me a call on **01206 764477****
